We march together to demand an end to deportations and detentions, and we denounce the double punishment of migrants with criminal records. We demand Status for All and organize for a Solidarity City for all residents of Montreal.

We will march through the neighborhoods of St-Michel and Villeray, ending at Parc Jarry in Parc-Extension. A child-friendly event. Bring your kids! Free food at the picnic!

Organized by Solidarity Across Borders with the support of No One Is Illegal-Montreal and the Non-Status Action Committee
